How We Will Calculate Your Balance: We use a method called “average daily balance (including new purchases)”.

“**Eligible Purchases**” are purchases from participating Ford dealerships and Ford websites in which single or multiple items are purchased in the same transaction totaling at least \$499.00.

Index And When It Is Determined: The Index used to determine your variable APRs is the U.S. Prime Rate shown in the “Money Rates” section of The Wall Street Journal on the last day the rate is published in each calendar month (the “determination date”). The above APRs are based on an Index (Prime Rate) of 3.25% as of the 8/31/2020 determination date. If the Prime Rate is higher or lower on a later determination date, the above APRs may increase or decrease accordingly.

When you become a cardmember, the Index will be effective for the entire billing cycle that ends in the second month after the determination date. For example, if your billing cycle ends in July, we will use the Index determined on the last day the rate is published in *The Wall Street Journal* in May.

APR for Purchases, Eligible Purchases and Balance Transfers: To determine the variable APR for purchases and balance transfers, we add a margin of 12.74% to 23.74% to the Index (Prime Rate).

APR for Cash Advances: To determine the variable APR for cash advances, we add a margin of 21.99% to the Index (Prime Rate).

How We Will Calculate Your Minimum Payment: If your New Balance is less than \$40, the minimum payment will be equal to your New Balance. If your New Balance is \$40 or greater, the minimum payment will be the greater of (a) 2% of the New Balance or \$40, whichever is larger; or (b) the current cycle fees and finance charges (except balance transfer fees) plus 1% of the New Balance (excluding current cycle fees and finance charges). Your minimum payment will also include any amount (i) past due and (ii) necessary to reduce your balance to your credit limit. Calculations will exclude disputed amounts. Balance transfer fees will be part of your Balance Transfers Balance Category, unless we specify otherwise.

¹ We will begin charging interest on cash advances and balance transfers on the transaction date.

Your account will generally have monthly billing cycles. However, your first billing cycle may be more or less than one month.

IMPORTANT NOTICE REGARDING CHANGES IN TERMS. We may change the APRs, rates, fees, costs, and other terms of your account subject to, and as allowed by, applicable law.

Payments on your account will be generally applied as follows: (a) the minimum payment amount will be applied to balances with the lowest APRs before balances with higher APRs; and (b) any amount you pay in excess of the minimum payment will be applied to balances with the highest APRs before balances with lower APRs.

BALANCE TRANSFERS: You authorize us to make each balance transfer you request. Each company you request us to pay and each balance transfer request may be treated as a separate balance transfer transaction.

Each balance transfer is subject to our approval and we are not liable if we do not make any balance transfer you request. We reserve the right to make balance transfers in the order we select and to limit the amount of the balance transfers that we make (this amount may be less than your total credit limit). If you ask for a balance transfer and we do not approve the full amount, we may either pay only part of the amount you asked for or decline your request. You may not transfer balances from other accounts you have with us or our related companies. In addition, we may not process a balance transfer request if it is incomplete, illegible or written to cash. Each balance transfer is subject to applicable fees and finance charges and does not have the benefit of an interest-free (grace) period.

Please consider the following when asking for a balance transfer: (a) To protect your rights, you should not transfer any amount that you dispute, (b) you should continue to make all payments due on the other accounts until you receive notice from them that they have been paid in full, (c) you are liable for any late payments, finance charges or disputed amounts on your other accounts, and (d) if you want your other accounts closed following a balance transfer, you are responsible for doing so.

CREDIT REPORTS: By applying for this account, you agree that First Bankcard® (a division of First National Bank of Omaha) may obtain credit reports for purposes of processing your application and for later purposes related to your account such as reviewing, updating and renewing it, increasing the credit line and collecting. If you request, you will be informed of whether or not a credit report was requested and of the name and address of the consumer reporting agency that furnished the report. You also authorize First Bankcard® (a division of First National Bank of Omaha) to verify your employment, income and other relevant information.

NOTICE TO CARDMEMBERS AND AUTHORIZED USERS: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents.

INFORMATION SHARING WITH VISA (For Signature Card Only): We may share non public personal information with VISA U.S.A., its Members, or their respective contractors for the purpose of providing Emergency Card Replacement and Emergency Cash Disbursement. Married applicants may apply for separate accounts in their own names.

OHIO RESIDENTS: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

NOTICE TO MARRIED WISCONSIN APPLICANTS: No provision of any marital property agreement, unilateral statement or court decree adversely affects our interests and/or rights unless, prior to the time the credit is granted or an open-end credit plan is entered into, we are furnished with a copy of the agreement, statement, or decree, or have actual knowledge of the adverse provision. **Married Wisconsin residents applying for credit separately must furnish name and address of their spouse to First Bankcard® (a division of First National Bank of Omaha) at P.O. Box 3437, Omaha, NE 68172-9981.**

CALIFORNIA RESIDENTS: The applicant, if married, may apply for a separate account. After credit approval, each applicant shall have the right to use this account to the extent of any credit limit set by the creditor and each applicant may be liable for all amounts of credit extended under this account to each joint applicant.

NEW YORK RESIDENTS may contact the New York State Department of Financial Services by telephone or visit its website for free information on comparative credit card rates, fees and grace periods. New York State Department of Financial Services: 1-800-342-3736 and "www.dfs.ny.gov".

ARBITRATION NOTICE: You understand that any Cardmember Agreement you receive will contain an arbitration provision that may substantially limit your rights in the event of a dispute, including your right to litigate in court or have a jury trial, discovery and appeal rights, and the right to participate in court or in arbitration as a representative or member of a class action. Please review the Cardmember Agreement and its arbitration provision carefully before you use or allow someone else to use an account.

The arbitration provision will not apply to you if, at the time your account is opened, you are a covered borrower under the Military Lending Act and U.S. Department of Defense regulations (32 C.F.R. pt. 232). For example, you would generally be a covered borrower if, at the time your account is opened, you are: (1) a member of the U.S. armed forces on active duty under a call or order not specifying a period of 30 days or less; (2) an active Guard or Reserve; or (3) a spouse or dependent of a person who qualifies under (1) or (2).

ENROLLMENT: To participate in the Credit Card Rewards Program, the Account must be open, your FordPass Rewards™ Account must be open, valid, and current, and you must comply with all terms of the FordPass Rewards™ Program. The "Enrollment Date" is the date the Account is opened or, if later, the date enrollment in the Credit Card Rewards Program is completed. Credit Card Rewards Program membership will be automatically renewed each year with the Terms and Conditions and the fees, if any, then in effect, until we are notified that the card is being cancelled or enrollment in the Credit Card Rewards Program is terminated as otherwise permitted by these Terms and Conditions.

QUALIFICATION PERIOD AND ANNIVERSARY DATE: A "Qualification Period" is a period of 12 complete, consecutive Billing Cycles. A "Billing Cycle" is the interval between the days or dates of the regular Account billing statements whether or not an Account billing statement is received. The first Qualification Period will begin with the start of the first complete Billing Cycle after the Account is enrolled in the Credit Card Rewards Program and will end on the last day of the 12th complete Billing Cycle. Each subsequent Qualification Period will be the period of 12 complete, consecutive Billing Cycles immediately following the prior Qualification Period.

The "Anniversary Date" will be the closing date of the 12th complete consecutive Billing Cycle after the Account is enrolled in the Credit Card Rewards Program, and the closing date of each 12th complete consecutive Billing Cycle thereafter.

NET PURCHASES: "Net Purchases" are authorized, new purchases posted to the Account on or after the Enrollment Date, excluding refunds, credits (for returned merchandise or otherwise), and disputed billing items. Net Purchases do not include: (a) annual fees, finance charges, and other fees or charges posted by us to the Account; (b) cash advances (including, but not limited to, purchases of money orders or other cash equivalents) or special check transactions; (c) balance transfers; (d) charges for other products, services, or benefits that we provide; or (e) other transactions that we determine not to be eligible. "Ford Purchases" are Net Purchases made only at participating Ford dealerships or Ford websites. "Dining and Select Automotive Purchases" are Net Purchases made at any merchant whose merchant category code ("MCC") is classified by the payment card industry as "Tolls, Roads and Bridge Fees" (MCC 4784), "Service Stations (with or without ancillary services)" (MCC 5541), "Automated Fuel Dispensers" (MCC 5542), "Electric Vehicle Charging" (MCC 5552), "Caterers" (MCC 5811), "Eating Places and Restaurants" (MCC 5812), "Drinking Places (Alcoholic Beverages) Bars, Taverns, Cocktail Lounges, Nightclubs and Discotheques" (MCC 5813), "Fast Food Restaurants" (MCC 5814), "Insurance Sales and Underwriting (MCC 6300), "Insurance - Premiums" (MCC 6381) and "Parking Lots, Meters and Garages" (MCC 7523). The MCC is a four-digit code used by the payment card industry to classify a merchant's primary business. Some merchants may have multiple MCCs (even within the same retail location) and some merchants might be expected to be classified into one of the MCCs identified above, but they may not be classified as such. This could affect whether purchases made from such merchants will qualify as Dining and Select Automotive Purchases, or other Net Purchases and, as a result, how many Points will be earned on such transactions. We do not assign MCCs to merchants and we are not responsible for confirming or monitoring the MCC assignments made by the payment card networks.

We reserve the right to determine, in our sole discretion, whether any transaction qualifies as Ford Purchases, Dining and Select Automotive Purchases, or Net Purchases, and our determinations shall be final.

POINTS: Points are not earned in the Credit Card Rewards Program until they appear on the Account billing statement. Points may be deducted for awards based on purchases that are subsequently subject to a refund, credit, or dispute. We reserve the right to retroactively correct errors made in Point awards. Points will not be earned if the Account cannot be used for new purchases or participation in the Credit Card Rewards Program has been suspended. If a credit card is reported lost or stolen, we will temporarily suspend our awarding of Points in the Credit Card Rewards Program until a new card is issued. At our sole discretion, we may award additional bonus Points in connection with certain purchases and/or promotions. Additional details and additional terms and conditions will be provided with such offers and are in addition to the Credit Card Rewards Program Terms and Conditions unless otherwise specified therein. We reserve the right to determine which Net Purchases are eligible for bonus Points.

FORDPASS REWARDS™ POINTS: In order for Points to be reported to the FordPass Rewards™ Program, you must have (1) an open and active FordPass Rewards™ Account; (2) your Account must be open; and (3) you must be enrolled in the Credit Card Rewards Program and your enrollment must not be suspended. If these three pre-requisites are fulfilled, Points earned in the Credit Card Rewards Program will be reported each month to the FordPass Rewards™ Program. Ford will make the corresponding number of FordPass Rewards™ Points available in your FordPass Rewards™ Account based on the number of Points reported from the Credit Card Rewards Program. If you have questions about your FordPass Rewards™ Points, please see the FordPass Rewards™ Program terms and conditions at www.fordpassrewards.com.

REWARDS AND REDEMPTION: All terms and conditions pertaining to the FordPass Rewards™ Program will apply. Ford is solely responsible for redemption and for all other aspects of the FordPass Rewards™ Program. FordPass Rewards™ Points will be redeemed as stated in the FordPass Rewards™ Program terms and conditions found at www.fordpassrewards.com. Ford may impose additional conditions, restrictions, and limitations on redemption and/or expiration of FordPass Rewards™ Points. We are not responsible for the FordPass Rewards™ Program or for Ford products, services, or decisions or its refusal to redeem FordPass Rewards™ Points. We are not responsible for making FordPass Rewards™ Points available in a FordPass Rewards™ Account, including any decision by Ford not to credit a FordPass Rewards™ Account based on Points we have reported.

We may change or terminate the Credit Card Rewards Program in our discretion at any time with or without prior notice to you except where required by law.
