How We Will Calculate Your Balance: We use a method called “average daily balance (including new purchases)”.

How We Will Calculate Your Minimum Payment: If your New Balance is less than \$40, the minimum payment will be equal to your New Balance. If your New Balance is \$40 or greater, the minimum payment will be the greater of (a) 2% of the New Balance or \$40, whichever is larger; or (b) the current cycle fees and finance charges (except balance transfer fees) plus 1% of the New Balance (excluding current cycle fees and finance charges). Your minimum payment will also include any amount (i) past due and (ii) necessary to reduce your balance to your credit limit. Calculations will exclude disputed amounts. Balance transfer fees will be part of your Balance Transfers Balance Category, unless we specify otherwise.

¹ We will begin charging interest on cash advances and balance transfers on the transaction date.

Your account will generally have monthly billing cycles. However, your first billing cycle may be more or less than one month.

IMPORTANT NOTICE REGARDING CHANGES IN TERMS. We may change the APRs, rates, fees, costs, and other terms of your account subject to, and as allowed by, applicable law.

Payments on your account will be generally applied as follows: (a) the minimum payment amount will be applied to balances with the lowest APRs before balances with higher APRs; and (b) any amount you pay in excess of the minimum payment will be applied to balances with the highest APRs before balances with lower APRs.

BALANCE TRANSFERS: You authorize us to make each balance transfer you request. Each company you request us to pay and each balance transfer request may be treated as a separate balance transfer transaction. Each balance transfer is subject to our approval and we are not liable if we do not make any balance transfer you request. We reserve the right to make balance transfers in the order we select and to limit the amount of the balance transfers that we make (this amount may be less than your total credit limit). If you ask for a balance transfer and we do not approve the full amount, we may either pay only part of the amount you asked for or decline your request. You may not transfer balances from other accounts you have with us or our related companies. In addition, we may not process a balance transfer request if it is incomplete, illegible or written to cash. Each balance transfer is subject to applicable fees and finance charges and does not have the benefit of an interest-free (grace) period.

Please consider the following when asking for a balance transfer: (a) To protect your rights, you should not transfer any amount that you dispute, (b) you should continue to make all payments due on the other accounts until you receive notice from them that they have been paid in full, (c) you are liable for any late payments, finance charges or disputed amounts on your other accounts, and (d) if you want your other accounts closed following a balance transfer, you are responsible for doing so.

CREDIT REPORTS: By applying for this account, you agree that FNBO may obtain credit reports for purposes of processing your application and for later purposes related to your account such as reviewing, updating and renewing it, increasing the credit line and collecting. If you request, you will be informed of whether or not a credit report was requested and of the name and address of the consumer reporting agency that furnished the report. You also authorize FNBO to verify your employment, income and other relevant information.

NOTICE TO CARDMEMBERS AND AUTHORIZED USERS: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver’s license or other identifying documents.

Married applicants may apply for separate accounts in their own names.

OHIO RESIDENTS: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

NOTICE TO MARRIED WISCONSIN APPLICANTS: No provision of any marital property agreement, unilateral statement or court decree adversely affects our interests and/or rights unless, prior to the time the credit is granted or an open-end credit plan is entered into, we are furnished with a copy of the agreement, statement, or decree, or have actual knowledge of the adverse provision. **Married Wisconsin residents applying for credit separately must furnish name and address of their spouse to FNBO at P.O. Box 3437, Omaha, NE 68172-9981.**

CALIFORNIA RESIDENTS: The applicant, if married, may apply for a separate account. After credit approval, each applicant shall have the right to use this account to the extent of any credit limit set by the creditor and each applicant may be liable for all amounts of credit extended under this account to each joint applicant.

NEW YORK RESIDENTS may contact the New York State Department of Financial Services by telephone or visit its website for free information on comparative credit card rates, fees and grace periods. New York State Department of Financial Services: 1-800-342-3736 and “www.dfs.ny.gov”.

ARBITRATION NOTICE: You understand that any Cardmember Agreement you receive will contain an arbitration provision that may substantially limit your rights in the event of a dispute, including your right to litigate in court or have a jury trial, discovery and appeal rights, and the right to participate in court or in arbitration as a representative or member of a class action. Please review the Cardmember Agreement and its arbitration provision carefully before you use or allow someone else to use an account.

The arbitration provision will not apply to you if, at the time your account is opened, you are a covered borrower under the Military Lending Act and U.S. Department of Defense regulations (32 C.F.R. pt. 232). For example, you would generally be a covered borrower if, at the time your account is opened, you are: (1) a member of the U.S. armed forces on active duty under a call or order not specifying a period of 30 days or less; (2) an active Guard or Reserve; or (3) a spouse or dependent of a person who qualifies under (1) or (2).

ENROLLMENT: To participate in the Program, the Account must be open. The "Enrollment Date" is the date the Account is opened or, if later, the date enrollment in the Program is completed. Program membership will be automatically renewed each year with the Terms and Conditions and the fees, if any, then in effect, until we are notified that the card is being cancelled or enrollment in the Program is terminated as otherwise permitted by these Terms and Conditions.

NET PURCHASES: "Net Purchases" are authorized, new purchases posted to the Account on or after the Enrollment Date, excluding refunds, credits (for returned merchandise or otherwise), and disputed billing items. Net Purchases do not include: (a) annual fees, finance charges, and other fees or charges posted by us to the Account; (b) cash advances (including, but not limited to, purchases of money orders or other cash equivalents) or special check transactions; (c) balance transfers; (d) charges for other products, services, or benefits that we provide; or (e) other transactions that we determine not to be eligible. "**BP In-Store Purchases**" are Net Purchases that are (a) in-store purchases (not of gasoline or diesel), including in-store purchases of car washes, or outside purchases of car washes made directly at the car wash teller or at the pump; (b) made at participating BP locations; and (c) posted to the Account on or after enrollment in the Program. "**BP Fuel Purchases**" are purchases of (a) gasoline or diesel only; (b) made at a participating BP location, and (c) paid for at the fuel pump or in-store using only the Account. The \$0.15 per gallon price reduction on BP Fuel Purchases includes a \$0.05 per gallon price reduction from BP in addition to a \$0.10 price reduction from the Program. Discontinuing or failing to complete your BPme membership will not impact your ability to obtain the full \$0.15 per gallon price reduction. ***NOTE: BP Fuel Purchases using a mobile wallet (such as Apple Pay®) will not receive a price reduction, but instead will be treated as Net Purchases and earn 1 point per \$1.00 spent, if payment system infrastructure is not in place to provide the price reduction instead of points. If, for other technical reasons, all or a portion of the immediate \$0.15 per gallon price reduction on BP Fuel Purchases is not available at the pump, it will be received as a statement credit 6-8 weeks after the purchase.** "**Grocery Purchases**" are Net Purchases made at any merchant whose merchant category code ("MCC") is classified by the payment card industry as "Grocery Stores and Supermarkets" (MCC 5411), "Freezer and Locker Meat Provisioners" (MCC 5422), "Candy, Nut, and Confectionary Store" (MCC 5441), "Dairy Products Stores" (MCC 5451), "Bakeries" (MCC 5462), "Misc. Food Stores, Convenience Stores and Specialty Markets" (MCC 5499), or "Package Stores – Beer, Wine, and Liquor" (MCC 5921). Merchants that sell grocery items may not necessarily have one of these MCCs. "**Dining Purchases**" are Net Purchases made at any merchant whose merchant category code ("MCC") is classified by the payment card industry as "Caterers" (MCC 5811), "Eating Places and Restaurants" (MCC 5812), "Drinking Places (Alcoholic Beverages) - Bars, Taverns, Cocktail Lounges, Nightclubs and Discotheques" (MCC 5813), "Fast Food Restaurants" (MCC 5814). The MCC is a four-digit code used by the payment card industry to classify a merchant's primary business. Some merchants may have multiple MCCs (even within the same retail location) and some merchants might be expected to be classified into one of the MCCs identified above, but they may not be classified as such. This could affect whether purchases made from such merchants will qualify as Grocery Purchases, Dining Purchases, or other Net Purchases and, as a result, how many points will be earned on such transactions. We do not assign MCCs to merchants and we are not responsible for confirming or monitoring the MCC assignments made by the payment card networks.

We reserve the right to determine, in our sole discretion, whether transactions qualify as BP In-Store Purchases, BP Fuel Purchases, Grocery Purchases, Dining Purchases, or Net Purchases, and our determinations shall be final.

POINTS: Points are not earned in the Program until they appear on the Account billing statement. Points may be deducted for awards based on purchases that are subsequently subject to a refund, credit, or dispute, which could result in a negative point balance. We reserve the right to retroactively correct errors made in point awards. Points will not be earned if the Account cannot be used for new purchases or participation in the Program has been suspended. If a credit card is reported lost or stolen, we will temporarily suspend our awarding of points in the Program until a new card is issued. At our sole discretion, we may award additional bonus points in connection with certain purchases and/or promotions. Additional details and additional terms and conditions will be provided with such offers and are in addition to the Program Terms and Conditions unless otherwise specified therein. We reserve the right to determine which Net Purchases are eligible for bonus points.

REWARDS AND REDEMPTION: Point redemption may be subject to shipping, handling, or other fees. Redemption requests are subject to point balance verification. Upon verification of the point balance, if the Account does not have enough points to redeem for a particular Reward, the Reward may still be obtained by redeeming at least 1,000 points toward the Reward and then paying the balance owed for the Reward with a credit card. If a credit card is reported lost or stolen, the ability to redeem points will be temporarily suspended until a new card is issued.

CASH BACK: Only points can be used to redeem for cash back, not a combination of points and a credit card. Cash back is redeemable in denominations of \$25, \$50, \$100, \$250, and \$1,000. Cash back in the form of a statement credit will be applied as a credit to the Account. While cash back in the form of a statement credit will be applied as a credit to the Account, **the regular monthly minimum payments shown on the Account billing statements must still be made.**

We are not responsible for replacing lost, stolen, or destroyed checks. Checks that have not been cashed and cleared within 120 days after the issue date will become void and the money received as a Reward will be credited to the Account as a statement credit.

For all checking and savings account ACH deposit cash back redemptions, the correct account number must be provided in the redemption form in order for the amount requested to be deposited accordingly. If an ACH deposit is rejected, the redemption will be reversed and the points will be added back to the rewards balance associated with the Account.

We may change or terminate the Program in our discretion at any time with or without prior notice to you except where required by law.
